

MICHELS EDUCATION INSTITUTE  
**CARDEN SCHOOL**  
OF SACRAMENTO

Dear Community Friend,

Carden School of Sacramento is holding our Annual Crab Feed Dinner and Auction Fundraiser on Saturday, February 4, 2012. It is during this time of year that we look to our community and friends to help us have a successful event.

Carden School of Sacramento has been serving the greater Sacramento community since 1971. Carden School hosts several outreach programs during the school year as a link to our community. This fall, our student outreach activities include performing and entertaining at local residential senior care facilities, conducting a food drive to provide meals for the needy during the holidays, and sponsoring a toy donation drive for Mustard Seed School which supports homeless children. The Carden campus also hosts an affordable summer camp and summer child care program which is made available to the public.

All the auction items for our Crab Feed are donated by school families, businesses and organizations in and around our community, and by businesses that our families and members patronize. In fact, if your business is receiving this letter, your business is likely one that has been frequented or recommended by Carden families.

Any assistance your organization can provide to help us with auction donations is greatly appreciated, there is no donation too small. Carden School of Sacramento is a **nonprofit tax-exempt organization**. Our tax identification number is **23-7408499**. We thank you in advance for your tax deductible gift and generosity. We will strive to provide recognition of all the donors at the Crab Feed.

Sincerely,

  
Carden Crab Feed Chairs
