

A Getaway for Two to Sonoma, California for Three Days & Two Nights at The Fairmont Sonoma Mission Inn & Spa, Including a Private Winery Tour in a Chauffeured Luxury Sedan (Land Only)

Estimated Value \$2,200

For hundreds of years, ancient thermal mineral waters have graced the site of The Fairmont Sonoma Mission Inn & Spa. The ultimate elegant oasis, this AAA Four-Diamond resort sits in the gorgeous wine country of Sonoma in Northern California. Sit back and relax during your personalized five-hour wine tour as you are guided through the region by knowledgeable and an experienced chauffeur.

First revered by Native American and early settlers as a bathing ground, the springs gained popularity among San Franciscans in the 1840s, when a bathhouse emerged to shelter the restorative waters. Generations of travelers have visited this site through the years to "take the waters." Today, the resort is proud to be one of the only luxury Spa resorts in the country with its own source of thermal mineral water. Native American people came to this sacred ground from surrounding valleys and the coast to partake in healing rituals honoring the earth and the waters, and the spirit of all the elements. The spa pays homage to ancient Egyptian, Greek and Roman civilizations, who believed in the axiom, "Sanitas Per Aquas", or healing through water.

Guests will savor the fruits of the wine country on a personalized five hour tour of the Sonoma Valley in a chauffeured luxury Sedan. Whether you are first-time visitors or veteran wine tasters, you'll enjoy an enlightening, fun-filled day in this picturesque region. The informative winery tour will be customized based on your individual wine preferences. Connoisseurs will stroll through magnificent gardens and taste wines recognized as being among the best the world has to offer.
